RECRUITMENT SPECIALISTS

Dear Max and hard working team,

Further to Richard's letter ref permanent position at Trelleborg Sealing Solutions I have consequently received an employment contract as a Senior Accounts Assistant on a permanent basis with TSS as from 25/03/04

May I take this opportunity to thank you for meeting in the Little Chef and putting up with my urging/demanding phone calls containing "is there any news max?"

It was a pleasure temping with Bruckshaw's and one thing that will stick in my mind is that you and your colleagues are real people with essential skills that every recruitment consultant should possess, i.e listening to young hopefuls, placing them in the right job and maintaining one-two-one contact with them throughout the temporary assignment. It is just a shame that good things don't last, but hey.....chin up.

Thank you and no doubt I will be back with greater ambitions to achieve.

Regards
Lenka Chellingworth
